PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.

2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.

3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.

5. *Mr. Swart* (Welland-Thorold)—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.

6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of

Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

Mr. Lane—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. To be debated May 12th, 1983.

Ballot Item No. 4

Mr. Dean—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme. -

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

Ballot Item No. 1

Second Reading, Bill 17, An Act to amend the Legislative Assembly Act. Mr. Ruston. To be debated Thursday, May 12th, 1983.

Ballot Item No. 2

Mr. Lane—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations. To be debated May 12th, 1983.

Ballot Item No. 4

Mr. Dean—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme. PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

Ballot Item No. 1

Second Reading, Bill 17, An Act to amend the Legislative Assembly Act. Mr. Ruston. To be debated Thursday, May 12th, 1983.

Ballot Item No. 2

Mr. Lane—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations. To be debated May 12th, 1983.

Ballot Item No. 4

Mr. Dean—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme. -

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

Ballot Item No. 2

Mr. Lane—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations. To be debated May 12th, 1983.

Ballot Item No. 4

Mr. Dean—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme. PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.

2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.

3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.

5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.

6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

-

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

GOVERNMENT MOTIONS

6. *Mr. Wells*—Resolution—That, an humble Address be presented to the Lieutenant Governor in Council as follows: “To the Honourable the Lieutenant Governor in Council:— We, Her Majesty’s most dutiful and loyal subjects, the Legislative Assembly of the Province of Ontario, now assembled, concur in the appointment of Gordon Harvey Aiken, Q.C., as Chairman of the Commission on Election Contributions and Expenses for a term of three years to April 4th, 1986, as provided in section 2 of the *Election Finances Reform Act*, R.S.O. 1980, chapter 134; And, That this Address be engrossed and presented to the Honourable the Lieutenant Governor in Council by Mr. Speaker”.
-

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—“it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership”.

Ballot Item No. 1

Second Reading, Bill 17, An Act to amend the Legislative Assembly Act. Mr. Ruston. To be debated Thursday, May 19th, 1983.

Ballot Item No. 2

Mr. Lane—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations. To be debated Thursday, May 19th, 1983.

Ballot Item No. 4

Mr. Dean—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme. NOTICES

GOVERNMENT MOTIONS

6. *Mr. Wells*—Resolution—That, an humble Address be presented to the Lieutenant Governor in Council as follows: “To the Honourable the Lieutenant Governor in Council:— We, Her Majesty’s most dutiful and loyal subjects, the Legislative Assembly of the Province of Ontario, now assembled, concur in the appointment of Gordon Harvey Aiken, Q.C., as Chairman of the Commission on Election Contributions and Expenses for a term of three years to April 4th, 1986, as provided in section 2 of the *Election Finances Reform Act*, R.S.O. 1980, chapter 134; And, That this Address be engrossed and presented to the Honourable the Lieutenant Governor in Council by Mr. Speaker”.
-

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—“it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership”.

 7. *Mr. Miller* (Muskoka)—Resolution—That this House approves in general the Budgetary Policy of the Government.

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

NOTICES

6. *Mr. Wells*—Resolution—That, an humble Address be presented to the Lieutenant Governor in Council as follows: “To the Honourable the Lieutenant Governor in Council:— We, Her Majesty’s most dutiful and loyal subjects, the Legislative Assembly of the Province of Ontario, now assembled, concur in the appointment of Gordon Harvey Aiken, Q.C., as Chairman of the Commission on Election Contributions and Expenses for a term of three years to April 4th, 1986, as provided in section 2 of the *Election Finances Reform Act*, R.S.O. 1980, chapter 134; And, That this Address be engrossed and presented to the Honourable the Lieutenant Governor in Council by Mr. Speaker”.
 7. *Mr. Miller* (Muskoka)—Resolution—That this House approves in general the Budgetary Policy of the Government.
-

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.
3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".

6. *Mr. Wells*—Resolution—That, an humble Address be presented to the Lieutenant Governor in Council as follows: “To the Honourable the Lieutenant Governor in Council:— We, Her Majesty’s most dutiful and loyal subjects, the Legislative Assembly of the Province of Ontario, now assembled, concur in the appointment of Gordon Harvey Aiken, Q.C., as Chairman of the Commission on Election Contributions and Expenses for a term of three years to April 4th, 1986, as provided in section 2 of the *Election Finances Reform Act*, R.S.O. 1980, chapter 134; And, That this Address be engrossed and presented to the Honourable the Lieutenant Governor in Council by Mr. Speaker”.
7. *Debated May 10th, 1983.*

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.
2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.

3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.
5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.
6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".
 8. *Mr. Kerrio*—Resolution—That, in the opinion of this House, the Minister of the Environment should build a pilot demonstration water filtration plant in the Municipality of Niagara for removing "new generation" toxic chemicals from drinking water taken from Lake Ontario. Understanding that dioxins were recently found in raw water feedstock for St. Catharines' treatment plant, and that the Niagara Municipality has had a standing request to the Ministry since 1981 for such a pilot plant, the Minister should move quickly to begin testing new removal technologies and report on their findings as soon as possible. Based on the findings, the Minister should install the proven chemical removal technologies in Ontario's water treatment facilities.

NOTICES

GOVERNMENT MOTIONS

6. *Mr. Wells*—Resolution—That, an humble Address be presented to the Lieutenant Governor in Council as follows: “To the Honourable the Lieutenant Governor in Council:— We, Her Majesty’s most dutiful and loyal subjects, the Legislative Assembly of the Province of Ontario, now assembled, concur in the appointment of Gordon Harvey Aiken, Q.C., as Chairman of the Commission on Election Contributions and Expenses for a term of three years to April 4th, 1986, as provided in section 2 of the *Election Finances Reform Act*, R.S.O. 1980, chapter 134; And, That this Address be engrossed and presented to the Honourable the Lieutenant Governor in Council by Mr. Speaker”.
-

PRIVATE MEMBERS' MOTIONS

1. *Mr. Johnston* (Scarborough West)—Resolution—That in the opinion of this House, the Province of Ontario, Canada, should declare itself a Nuclear Arms Free Zone, and the Government should prohibit the deployment of nuclear weapons in Ontario, the testing of nuclear weapons and associated equipment in the Province, the construction of nuclear weapons and associated equipment, the transport of nuclear weapons and associated equipment through and within the Province, and the export of goods and materials for use in the construction and development of nuclear arms. In addition, the Province should encourage cities, provinces and states throughout the world to initiate similar action.

2. *Mr. Epp*—Resolution—That, this House authorizes that a Proclamation be issued by the Governor General under the Great Seal of Canada amending Section 7 of the *Canadian Charter of Rights and Freedoms* to read as follows:
 7. Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not be deprived thereof except in accordance with the principles of fundamental justice,

and urges that the Senate and House of Commons and the Legislative Assemblies of the other provinces do likewise.

3. *Mr. Dean*—Resolution—That, in the opinion of this House, and acknowledging the increased economic hardships facing the people of Hamilton-Wentworth and of other parts of Ontario, arising from the depressed outlook for the steel industry, the Minister of Industry and Trade should: (a) immediately organize a regional manufacturing show in Hamilton to provide a forum for local manufacturers to display items which they import at present and to create an avenue for mutual interchange of product need and manufacturing capability; (b) maximize industrial development opportunities, particularly in import replacement given the high degree of imports of machinery and equipment, in respect to major projects in the oil and gas sector with a view to joint ventures, licensing, and acquisition of new technology to enable Ontario to broaden its industrial base; and (c) pursue discussions with the Government of Canada to ensure that Ontario receives a fair share of contracts from the frigate programme.

5. *Mr. Swart*—Resolution—That, in the opinion of this House, the Government should amend the Conservation Authorities Act and the Planning Act so that flood plain mapping, including fill lines, will be considered a restricted land use and be subject to all provisions of the Planning Act. Specifically, the present authority of the Ministry of Natural Resources to designate the flood plain area by regulation should be withdrawn and, instead, flood plain mapping should be a recommendation only for inclusion in municipal official plans and/or zoning bylaws.

6. *Mr. Lane*—Resolution—That, this House acknowledges the outstanding contribution of the seasonal resort and tourist industry to the economy of Ontario, in particular, the significant economic contribution of small operators and family run businesses. Further, that this House recognizes that

seasonal resorts and tourism operations pay business taxes for the whole of the year yet they operate for only part of the year; and that, in order to sustain small seasonal tourist businesses in Northern Ontario and encourage them to take advantage of opportunities for further development and expand capacities for additional employment, this House recommends that the Minister of Revenue review the application of business taxes to the owners of these properties so as to minimize the impact of these taxes on their seasonal operations.

7. *Ms. Bryden*—Resolution—That in the opinion of this House the government should establish a Select Committee of the Legislature to hold public hearings on the operation of the Family Law Reform Act, 1978 and to bring in recommendations for amendments to it in view of the fact that we have now had five years experience with the Act, and in view of recent court decisions which have raised doubts about the effectiveness of the legislation to achieve the objectives stated in the preamble to the Act—"it is necessary to recognize the equal position of spouses as individuals within marriage and to recognize marriage as a form of partnership".
 8. *Mr. Kerrio*—Resolution—That, in the opinion of this House, the Minister of the Environment should build a pilot demonstration water filtration plant in the Municipality of Niagara for removing "new generation" toxic chemicals from drinking water taken from Lake Ontario. Understanding that dioxins were recently found in raw water feedstock for St. Catharines' treatment plant, and that the Niagara Municipality has had a standing request to the Ministry since 1981 for such a pilot plant, the Minister should move quickly to begin testing new removal technologies and report on their findings as soon as possible. Based on the findings, the Minister should install the proven chemical removal technologies in Ontario's water treatment facilities.
